Cover Letter	X	X	X
Case Narrative (if applicable)	X	X	X
Table of Contents		X	X
Chain of Custody (COC)	X	X	X
Sample Results with analysis and extraction dates	X	X	X
Raw Data which includes chromatograms and quantitation reports			X
Summary of MBLK/LCS/MS/MSD/Duplicate recoveries and control limits (linking native samples)	X	X	X
Raw data associated with the MS/MSD duplicates which includes chromatograms and quantitation reports (linking native samples)			X
Raw Data associated with the LCS/LCSD which includes chromatograms and quantitation reports			X
Raw method blanks which includes chromatograms and quantitation reports		X	X
Summary of internal standard areas/RT's, and summary of surrogate recoveries		X	X
Summary of initial calibration data (RF and % RSD)		X	X
Raw data associated with the initial calibrations which includes chromatograms, quantitation reports, and the calibration plots, indication correlation coefficients if required			X
Summary of continuing calibration data (% Difference reports from calculated concentrations, and from RRF)		X	X
Raw data associated with the continuing calibration which includes chromatograms and quantitation reports			X
Summary of instrument tuning (listing associated samples and injection times) for all applicable analytical shifts, including those in which initial calibration levels, QC samples, and client samples analyzed		X	X
Instrument sequence/injection logs		X	X
Extraction/preparation logs and sample dilution logs		X	X
